3. Complete a Business License Application and three (3) emergency contact cards and submit them to the City Clerk's Office.
4. Submit payment to the Treasurer's Office.
5. Schedule inspections with the Building and Fire Departments. Any questions related to the inspection process should be directed to the department conducting the inspection.

*Copies of your Business License Application will be distributed to each of the departments listed at the bottom of the application for approval. If all departments approve the application, it will be added to the agenda of the next City Council Meeting. Only the City Council may approve new business licenses.
