

Celebrate America Recycles Day with SOCRRA!
995 Coolidge Hwy., Troy

Sunday, November 15, 2015
12:00 pm – 3:00 pm

Tours of the MRF
Every 1/2 Hour

Bring your Styrofoam (no Styrofoam peanuts) and see how much Styrofoam it takes to fill up our 40 ft. shipping container. Lets see if you can fill up a 10 yard roll off container with plastic containers. Guess which one weighs more, Styrofoam or plastic containers?

Bring small metal items; staples, paper clips, screws, nuts and bolts. See if you can fill up our 5 gallon bucket.

Check out our website at www.socrra.org or call SOCRRA at 248-288-5150 and ask for Karen Bever for more details.
