

City of Hazel Park

Right of Way Tree Planting Application

Submit to: Department of Public Works – MON-THURS- 7am to 3pm- 248-542-0340 - dpw@hazelpark.org

Guidelines

Any owner of residential property requesting to plant a tree located on the Right of Way must follow the following guidelines and must be approved by the Department of Public Works.

MISS DIG must be called prior! **1-800-482-7171**. MISS DIG will issue the earliest legal start date possible, usually three business days after you contact MISS DIG. Owner is then responsible for clearing any other utilities with those entities.

Please mark proposed planting location with a stake.

Approved Tree Species:

NAME	HEIGHT	WIDTH	CHARACTERISTICS
DOGWOOD	20-30	10-20	Flowers in spring
JAPANESE MAPLE	15-25	15-25	Ornamental slow-growing tree with intense red foliage
CHANTICLEER PEAR	25-35	16-25	Ornamental flowering in the spring
RED BUD	20-30	15-25	Small ornamental pink flowering in early spring
HAWTHORN	15-35	10-35	Clusters of pink or white flowers that bloom in the spring

If desired tree type is not on this list, please specify below.
