Notice

W. George Water Main Project

PHASE 1

The water main on W. George from Ford Ave to West End Ave is to be Replaced.

Now that the weather seems to be cooperating and all supplies are in, we are ready to begin the water main project. This project will be conducted in 5 phases. You will receive updates as the project moves from one phase to the next.

The Start Date Has Been Scheduled for...

Monday, June 5, 2017 at 7:00am

--- Weather Conditions or City Emergencies may delay project dates ---

PHASE 1 - The city will begin excavation and installation of the New Water Main Pipe, Valves, & New Fire Hydrants. This phase should take about 7-10 days.

Work will begin at West End Ave and move East. Work will be performed along the South curb, please have any vehicles needed for daily use out of the work area by the date and time listed above. Work will continue each day, about the same time, until the phase is completed.

During this project, there may be changes to regular traffic flow and street parking. The police department has been notified regarding the project and parking issues.

Please obey any temporary construction signage that will be set out. This is for your safety as well as the workers involved in the project.

Thank you in advance for your cooperation,

City of Hazel Park
Water Department
