The placement of any dumpster shall be on the driveway of the property and shall not be located upon any street or within any required yard or setback unless specifically approved by the City. If the property has no driveway, permission must be obtained from the Fire Dept. and Police Dept. to place the dumpster in the front yard.

- Does the property have a driveway for the dumpster to be located on? YES _____ NO _____
- Is the property a new construction? YES _____ NO _____

- All debris or waste material shall be fully contained within the dumpster.
- No dumpster shall be loaded in such a manner as to cause its contents to spill onto any street, sidewalk, or other area intended for pedestrian travel.
- The dumpster shall be emptied or otherwise removed from the site as needed to prevent overflow, and otherwise maintained so as to minimize unsightly appearances to neighboring properties.
- No dumpster shall contain any hazardous waste unless pursuant to a permit for such waste issued by the appropriate governmental entity.
- No materials contained in a dumpster shall emit any noxious or offensive odor or otherwise create any hazard or risk to public health.
- If rodents appear around the dumpster, the homeowner must cure the problem within twenty-four (24) hours. If the problem is not cured, the City may cure the problem at the homeowner's expense.
- No dumpster shall be placed in such a manner as to interfere with the operation or maintenance of a public utility.
- The permit shall be conspicuously placed in a location that permits it to be identified from a public street.

For Court-ordered evictions the following conditions also apply:

- The owner, property manager and/or agent involved in the cleaning, repair and/or removal of any items of personal property, junk, debris, garbage, and/or building materials, referred to herein as refuse, upon vacation of the premises by the previous occupant or upon eviction of the previous owner or occupant, shall remove all items from the property and immediately dispose of the same. No garbage, junk, debris, personal property or building materials shall be left on the property or at the curb for pick-up unless said items conform to the requirements of the Hazel Park Municipal Code and are properly placed at the curb on the designated trash pick-up day.
- If refuse is not removed within twenty-four (24) hours of notice being placed on the building by the City, the items shall be removed by the City and the cost thereof to be assessed against the land as provided in Section 11.4 of the City Charter.
