1. Mechanical Permit Fee Schedule

- a. All permits shall be assessed a non-refundable application fee of \$25.00.
- b. The permit fees for any mechanical permit shall be \$75.00 per inspection. One inspection and the administration fee are required on all permits. Permit fees are non-refundable after work has started and are non-transferable.
- c. Contractor registration fee shall be \$15.00 for electrical (all categories).
- d. Permits for new construction shall be for the minimum number of inspections required in Section 2.
- e. All investigative fees equal to the permit fee, shall be assessed if a permit was not issued prior to commencement of work.
- f. A fee of \$75.00 per inspection shall be charged for the re-inspection of all failed inspections.

2. <u>Inspections: Minimum number and when required</u>

- a. Mechanical: Single-Family Residential
 - For new construction a minimum of three (3) inspections, a rough, final and gas line inspection shall be required for each heating system. A separate inspection shall be required for each cooling system. A heating or cooling unit without a distribution system shall require one inspection.
 - Remodels shall require a minimum of a rough and final inspection. For all other types or work of this class, inspections shall be required for each visit required from the mechanical inspector.
 - 2. Pre-fab fireplaces shall require a minimum of one (1) inspection per dwelling unit. Multiple fireplaces in the same dwelling unit, and inspected on the same visit, shall require one (1) inspection. Units may also require a gas line inspection.
- b. Mechanical: Multiple-Family, Commercial, Industrial

Each heating and/or cooling unit shall require one (1) inspection. Each multi-family dwelling unit shall require a rough and a final. Installation or modification of any distribution system not involving the associated heating/cooling unit shall require one (1) inspection. Where an underground inspection(s) is required, an additional inspection shall be charged per visit. Gas lines require an additional inspection per system.
