APPLICANT'S SIGNATURE: Section 23A of the State Construction Act of 1972, Act No. 230 of the Public Acts of 1972, being Section 125.1523A of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23A are subject to civil fines.

HOMEOWNER AFFIDAVIT: I hereby certify the work described on this permit application shall be installed by myself, in my own home in which I am living or about to occupy. All work shall be installed in accordance with the electrical code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the inspector. I will cooperate with the Inspector and assume the responsibility to arrange for necessary inspections.

I HAVE READ AND UNDERSTAND THE ABOVE PROVISIONS:

1. **Plumbing Permit Fee Schedule**

- a. All permits shall be assessed a non-refundable application fee of \$25.00.
- b. The permit fees for any plumbing permit shall be \$75.00 per inspection. One (1) inspection and the administration fee are required on all permits. Permit fees are non-refundable after work has started and are non-transferable.
- c. Contractor registration fee shall be \$15.00 for plumbing (all categories).
- d. Permits for new construction shall be for the minimum number of inspections required in Section 2.
- e. All investigative fees equal to the permit fee, shall be assessed if a permit was not issued prior to commencement of work.
- f. A fee of \$75.00 per inspection shall be charged for the re-inspection of all failed inspections.

2. **Inspections: Minimum number and when required**

- a. Plumbing: Single-Family Residential

For new construction an underground, rough and final plumbing inspection shall be required.

Remodels shall require a minimum of two (2) inspections, a rough and a final. For all other types or work of this class, inspections shall be required for each visit required from the electrical inspector.

- b. Plumbing: Multiple-Family, Commercial, Industrial

Each unit in a multi-family structure or in a multi-tenant structure shall require a rough and a final inspection. A multiple-family structure or other multi-tenant building shall require an additional inspection for underground plumbing at the rate of one (1) inspection per building. An additional inspection shall be required for sewer and water service.

All other commercial and industrial buildings shall be charged at the rate of one (1) inspection for each visit required from the plumbing inspector. The inspector shall estimate the number of visits required.

A separate inspection shall be required for temporary service.
