FLAG FOOTBALL

Flag football is rapidly becoming the youth sport of choice among parents who question whether kids should play tackle football. It offers all the fun of tackle football without the same risk of injury. Patterned after regular football, teams run or pass the ball down field in order to score a touchdown. The primary difference in flag football is that it is a “no contact” game. Instead of tackling the ball carrier, defensive players try to pull the flags off the ball carrier’s belt.

Ages: 5-11
Fee: $35
Practices begin in early August

Fall Soccer

The Hazel Park Soccer League will be accepting registration for the Fall 2016 Youth Soccer League. Registrations will be accepted between June 1, 2016 through July 14, 2016. Prices vary between age groups. Practices begin in August with games starting in late August. Practice times are contingent upon the coaches availability. Games are located within Hazel Park and in neighboring communities involved in the league. Once registration is complete, if there is space that allows for extra players, an additional $10 late fee will be applied. Fees include a uniform and shorts. Shoes and shin guards are not provided, please bring your own. Please register with the Hazel Park Recreation Department as soon as possible to ensure a spot.
