

## RIVER DAY LOGO DESIGN CONTEST - 2019

**Rochester Hills, MI** - The Clinton River Watershed Council's 21<sup>st</sup> Annual River Day Logo design contest encourages local artists to get involved in the promotion of River Day. River Day is Saturday, June 8<sup>th</sup> which coincides with Michigan's Free Fishing Weekend and Great Lakes and Fresh Water Week. Events occur throughout the entire month of June and will include, festivals, fishing derbies, fly-tying lessons, clean up events, and naturalist-led hikes.

### The Logo Design Contest

The winning River Day 2019 logo design will be used on official River Day shirts, event guide and CRWC website to promote River Day.

### Contest Guidelines

This contest is open to residents in the Clinton River Watershed. The winner of the River Day Logo design contest will receive an official River Day T-shirt with their design on it and a one-year membership to the watershed council. CRWC will feature the artist's picture and artist statement on the River Day event page on the CRWC website.

### The contest rules are as follows:

- Artist must reside within the Clinton River Watershed
- Art must be black-and-white, thick line drawing, absolutely no gray tones
- Size: 8.5 x 11 inches or smaller
- The year 2019 must be prominent in the design of the logo. Must also include the words River Day
  - Electronic submissions (**JPEG or TIFF files only**) are permissible, but they must meet the above requirements and be **300 dpi resolution or greater. Please email electronic submissions to [kathleen@crwc.org](mailto:kathleen@crwc.org) by April 1, 2019**
- Hard copy submissions can be hand delivered or mailed to:  
**CRWC, 1115 W Avon Rd. Rochester Hills, MI 48309 and must arrive by April 1, 2019.**

Entries will be judged on their ability to convey River Day's goal of celebration and enjoyment of the Clinton River and Lake St. Clair, as well as their clarity and ability to be reproduced easily at a variety of scales. Judging and selection of the winning design will be completed at our annual meeting April 11, 2019. The winning design will be announced following this event.
