MDOT and OCP to host open house on 2020 construction for I-75 modernization project segment 3

WHAT:

An open house-style meeting to inform the public on the upcoming construction on Segment 3 of the I-75 modernization project. Segment 3 is located between 8 Mile and 13 Mile roads. The work in 2020 will involve rebuilding northbound I-75 from 8 Mile Road to I-696.

WHO:

Michigan Department of Transportation (MDOT) staff
Oakland Corridor Partners (OCP) staff
Residents and interested stakeholders

WHEN:

Thursday, Feb. 13, 2020
4 - 7 p.m.

WHERE:

Hazel Park Recreation Center
620 W. Woodward Heights Road
Hazel Park, MI 48034

Accommodations can be made for persons with disabilities and limited English-speaking ability. Large print materials, auxiliary aids or the services of interpreters, signers, or readers are available upon request. Please call 517-335-4381 to request at least seven days before meeting date.

BACKGROUND:

MDOT and Oakland Corridor Partners will share details on the 2020 construction of northbound I-75 from 8 Mile Road to I-696. The project includes rebuilding pavement, overpasses and retaining walls. In order to complete this quadrant in one construction season, all I-75 traffic will be sharing the southbound side of the freeway with two lanes maintained in each direction. Overpass work is scheduled to begin in late February; road work is scheduled to begin in March.

Segment 3 will improve safety and mobility by modernizing 5.5 miles of I-75 through the communities of Royal Oak, Hazel Park, and Madison Heights.
